I, _____ (Applicant / Agent), hereby certify that the information on this application is accurate and complete. I also certify that I have read the California Coastal Commission Permit 5-06-117 & Federal Consistency Certification CC-031-06, the Army Corps of Engineers Regional General Permit 54 (File No. 200501233-DPS) and the California Regional Water Quality Control Board General Certification for Regional General Permit No. 54 for construction in Newport Harbor and that I will comply with all of the conditions in those permits. I also certify that by acceptance of this Permit, the applicant acknowledges and agrees that the site may be subject to hazards from waves and erosion.

I will further hold the City of Newport Beach harmless from and indemnify the City against any claim for damages arising out of the exercise of these permits. In addition, I shall reimburse the City of Newport Beach for all attorney's fees and other costs expended by them in defending any claim, lawsuit, or judgment arising out of the activities of the applicant carried on under the authority of such Permit.

I understand that any work authorized must be completed by October 23, 2011, after which a new authorization is required.

Per the RGP Permit, all dock construction applications will be processed by the various agencies through monthly batch submittals sent to them by Harbor Resources. Therefore, all dock construction applications must be submitted to and received by Harbor Resources by the 1st Monday of every month. Applications submitted *prior* to this deadline are encouraged and appreciated.
